

**Position: Physician, Family Medicine & Primary Care**

**Organization:** Basic Health Care Services

**Location:** Salumber, Rajasthan

Basic HealthCare Services is a not-for-profit organization based in Udaipur, Rajasthan. Since 2013, BHS is building a responsive and empathetic "circle of care" rooted in the community with the vision to enable marginalized and vulnerable communities lead a healthy life with dignity. The organization's mission is to provide high quality, low-cost primary healthcare to communities in southern Rajasthan.

BHS has established a network of "AMRIT Clinics", which offer a comprehensive spectrum of preventive, promotive, and curative healthcare services, complemented by focused interventions addressing maternal and child health, tuberculosis and chronic respiratory diseases, mental health, physiotherapy, and nutrition. For more information, go to: [bhs.org.in](http://bhs.org.in)

The BHS case study has been featured by Harvard Business Publishing, as an innovative model of rural healthcare in India (<https://hbsp.harvard.edu/product/ISB233-PDF-ENG>)

### **Physician, Family Medicine and Primary Care**

Family Medicine and Primary Care Physician is responsible for providing family-centered high quality healthcare to a cluster of three AMRIT Clinics, develop capacities of Primary Care Nurses to deliver high quality care, update and develop clinical protocols; and ensure quality of care. S/he will be part of a cross-disciplinary and cross-professional team.

In addition, the Physician is encouraged to engage in research, and write case studies and research articles in relevant journals and forums. The Physician reports to Director.

### **Qualifications and Experience**

We are looking for a Physician with a DNB / MD in Family Medicine; or PG Diploma in Family Medicine with at-least two years of clinical experience. Those having worked and/ or trained in rural settings will be preferred.

### **Remuneration**

BHS provides an environment of growth, learning and professional fulfilment. In addition, our salaries are benchmarked with the best in nonprofit sector, and are adjusted to the experience.
